Item Three???

The team members are in seperate
div columns and if you click on one
of them, the "team-book" shows up
with this person focused!

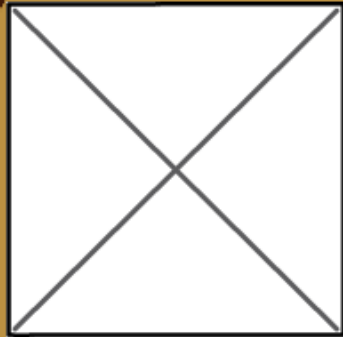

The navbar scrolls down, if you click
on the UFO

Our Team members

This page shows after you clicked on a person. It slowly fades in and disappear after some time and give way to the actual team-site

Nico Denia Tamas Mustafa Marco

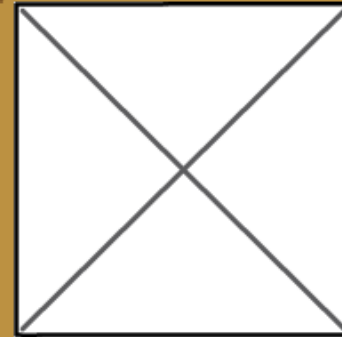

Here goes the team-member information leisure time related:

Hobbies like beating up grandmas, stealing little kids icecream and such

Why working for this company?

Favourite food

Favourite signature spell! Like: "If you look into the darkness and so no wait out, you know you are on the very base of bad luck...until something worse comes around!"

Here goes the team-member information work related:

Database Monkey

Loves to write SQL

24/7 availability

and so on

[5]

With the bookmarks you can change the page of the book and switch to the next page (respective team-member)
